

Shaun Finley, PGA

Director of Golf Operations

BIO & APPROACH

I was born and raised in Watertown, WI and have been playing golf for over 25 years. I graduated from the University of Wisconsin – Eau Claire with a degree in Business Administration. In 2008, I was elected into membership as a PGA Class A golf professional and, in addition to The Oaks Golf Course, other facilities I have worked at include: Watertown Country Club in Watertown, WI; The Hideaway in La Quinta, CA; Palm Valley Country Club, Palm Desert, CA.

I have been teaching lessons for 12 years and has a vast knowledge of the swing. I believe it is important to keep lessons simple while addressing areas of improvement. I also focus on patience. Breaking an old habit or developing a new skill takes time. It is not something that can be mastered without continued effort. In addition, in my mind, everyone has a unique way to learn and it is important for me as an instructor to pinpoint my student's learning style and tailor each lesson to maximize my student's ability to succeed.

My aim is to help make my students successful by:

1. Understanding my student's goals.
2. Understanding my student's learning style and how to best match my teaching approach to that style.
3. Keeping lessons simple while identifying areas for improvement.
4. Creating a success plan that is attainable for the student.
5. Giving my students the ability to self-diagnose while playing or practicing on his or her own.

RATES

45 Minute Lesson = \$60
