Local Drive / Chip / Putt Qualifying Event

Regional winners have a chance to advance to the National Championship at Augusta! Please visit www.drivechipandputt.com, for more information and details on local qualifiers. The Oaks golf course will be hosting a Drive, Chip and Putt qualifier on Monday, June 24th. Please note, the qualifier is separate from the Oaks Junior Program, but a great opportunity.

Children enrolled in the junior program are asked to be accompanied by an adult or golf professional while using the facilities. While using the facilities please remember the following:

No child without a valid driver's license is allowed to operate a golf car.

Proper golf etiquette must be used at all times. The golf professional's have the right to protect the other participants and the golf course. This may mean excusing your child from activities.

Soft spikes or tennis shoes must be worn—please no sandals or other sport cleats.

FAQ

Parent/Guardian Involvement

Parental or guardian involvement is a valued component of any successful junior program. While it is not required, we do appreciate having parents attend sessions to not only observe but to also lend an extra set of eyes and hands to help the kids. It's also an excellent way of getting the kids used to having people watch them hit shots and get past any nerves they would have. If you are able to attend a session, feel free to send an email to joeleonard@golftheoaks.com to let us know. We look forward to having you out and appreciate you choosing The Oaks.

Do I need to notify the Oaks if my Child will miss a session?

While we appreciate a heads up as it helps us properly prepare for the days activities, you do not need to notify us if your child will miss a junior golf session. If you do feel like giving us a heads up, please email Joey directly.

Is attendance for the “End of Year Event” required?

Attendance is not required at this event, however they will be enjoyable and fun for the family.

Does my child need their own golf clubs?

Yes. We do not have any loaner junior sets on hand. We suggest students bring clubs that are fitted to their height and strength. While shortened hand-me-down clubs are ok, it does put most children at a disadvantage due to their weight and stiffness.

What should we do if the weather is not favorable to golf lessons?

If the forecast is not looking good, we will post rain outs, delays or cancellations to The Oaks Facebook page, as well as through a mass email. Be sure you stay on top of one of these feeds in order to be notified of changes.
