BREAKDOWN

Week 1: Welcome, Overview of the Course, On-Course Rules and Etiquette

Weeks 2 through 5: Each week we will have 3 practice stations in place for the golfers. These will be comprised of one full swing, one putting and one chipping element. The goal/ask for each drill will change from week to week.

In addition, certain weeks will feature more on-course play, specifically as it pertains to the Scheffler and Fowler groups. We will notify you in advance of this. The start and end times each week will not change throughout the program.

Please note, week 3 (July 14th) class is on Tuesday. We will remind everyone of this again in July. Also, our rain make up date (if needed), is on Thursday, July 30th.

During our final class, each golfer will receive their program gift bag. If your golfer is unable to attend that session, we will hold on to yours in the golf shop and you can pick it up at a time convenient for you.

Local Drive / Chip / Putt Qualifying Event

Regional winners have a chance to advance to the National Championship at Augusta! Please visit www.drivechipandputt.com, for more information and details on local qualifiers. The Oaks golf course will be hosting a Drive, Chip and Putt qualifier on Monday, June 29th. Please note, the qualifier is separate from the Oaks Junior Program, but a great opportunity.

Children enrolled in the junior program are asked to be accompanied by an adult or golf professional while using the facilities. While using the facilities please remember the following:

No child without a valid driver's license is allowed to operate a golf car.

Proper golf etiquette must be used at all times. The golf professional's have the right to protect the other participants and the golf course. This may mean excusing your child from activities.

Soft spikes or tennis shoes must be worn—please no sandals or other sport cleats.

FAQ

Parent/Guardian Involvement

Parental or guardian involvement is a valued component of any successful junior program. While it is not required, we do appreciate having parents attend sessions to not only observe but to also lend an extra set of eyes and hands to help the kids. It's also an excellent way of getting the kids used to having people watch them hit shots and get past any nerves they would have. If you are able to attend a session, feel free to send an email to joeleonard@golftheoaks.com to let us know. We look forward to having you out and appreciate you choosing The Oaks.

Do I need to notify the Oaks if my Child will miss a session?

While we appreciate a heads up as it helps us properly prepare for the days activities, you do not need to notify us if your child will miss a junior golf session. If you do feel like giving us a heads up, please email Joey directly.

Does my child need their own golf clubs?

Yes. We do not have any loaner junior sets on hand. We suggest students bring clubs that are fitted to their height and strength. While shortened hand-me-down clubs are ok, it does put most children at a disadvantage due to their weight and stiffness.

What should we do if the weather is not favorable to golf lessons?

If the forecast is not looking good, we will post rain outs, delays or cancellations to The Oaks Facebook page, as well as through a mass email. Be sure you stay on top of one of these feeds in order to be notified of changes.
